# ABOUT US

---

**Migration X** is a staffing, consulting and business solutions firm. We are a local Chicago based firm, been around for a long time. Our business runs / grows on relationships, quality, efficiency and faster turn around.

We focus our efforts on the success of our customers. We strive to exceed our client's expectations, by providing valuable resource, solutions and services, with professionalism and integrity that result in trusted long term relationships.

We help our clients meet business objectives through IT solutions and thereby providing the expertise and tools necessary to maximize productivity and create competitive advantage.

We comes from technical & management background. We understand pain points hiring managers have on resourcing, skills gaps, budgets, timing, expectations etc.

We find a resource who is a cultural fit along with technical ability. Someone who is willing to adopt customer environment, work with different teams and willing to learn new things.

## For example:

- Executive Search.
- IT managers & directors.
- Infrastructure Architects.
- Cloud, Office 365 Network, Server, Storage, Microsoft, Cisco, EMC, Vmware experts.
- Project Managers.
